Penny Allen, RD

National Director, Nutrition Support
Optum Infusion Pharmacy
North Hampton, NH

Penny Allen, RD, CNSC, FASPEN is the National Director of Nutrition Support for Optum Infusion Pharmacy. Penny has spent over 30 years in home infusion as a program director leading clinical and sales teams to provide state of the art care based on ASPEN standards and excellence in home nutrition support. She is a Certified Nutrition Support Clinician, serves as Chair of the ASPEN Public Policy Committee and is a published subject matter expert in Medicare PN policy and other home nutrition support related topics. Her passion is improving access to quality nutrition support therapies for all patients.
